

Policy of Care and Payment

The goal of our practice is to provide each patient with the highest quality of care.

Payment is due at the time of treatment. We accept cash, check and major credit cards. We also work with a finance company called CareCredit, which allows you to start treatment today and spread payments out over time. We will file insurance with most PPO carriers. We are in network with Delta (Premier Provider), Cigna Core network, and Humana PPO. All other insurance plans are out of network. **Patients are ultimately responsible for all fees incurred for dental services regardless of dental insurance.**

Please indicate below the forms of payment you choose to settle your account:
